Kingfish Aquatic Club has swimmers from age 7 to 19 of all abilities. Stroke instruction and training is directed by Ed Bachman, a veteran coach of 30 years in Cincinnati, along with veteran assistants. Results are happening fast with Kingfish. KAC swimmers are making State AA cut offs, placing top 3 at JO Championships, the team placing top 15 at Speedo Sectionals as well as producing high school All-Americans. If it is a fun atmosphere you're looking for or top performance "we have it". A well balanced program for every level of swimmer is a theme for KAC. Kingfish swimmers are quickly becoming the ones to watch at meets around town. Several have become nationally and regionally ranked. Be a part of the family!

*New for 2010-11 expanded practices for younger groups/ more flexibility !*
