Seeding order: Long Course Meters, Short Course Meters, Short Course Yards, NT. Eight lanes will be used at finals.

Scratch Rule

National scratch procedures (207.7.9) will be observed. Additionally, a non-refundable \$100.00 fine will be assessed to a club for each swimmer failing to compete in Sunday finals without scratching, except as noted in 207.5.9E, Exceptions for Failure to Compete.

The scratch box will be available at Registration on Tuesday, at the General meeting, and at the head table thereafter.

Check-in will be available at Registration, at the General Meeting, and at the head table thereafter.

Scratch Deadlines

National scratch procedures will be observed. The scratch box will be located at the head table.

Thursday's events: 15 minutes after the conclusion of the General Meeting on Sunday July 19th.

All others days' events: 6 pm the prior evening

The money for scratched events is NOT refundable.

Coaches/swimmers that have events requiring a positive check-in (relays and distance freestyle) may check-in via email to Mark Davis davism4@muohio.edu if they will not be arriving prior to the applicable scratch deadline for that event.

RELAYS AND RELAY CHECK-IN PROCEDURE

Positive check-in for relays is required. Relays must be checked-in prior to the scratch deadline in order to be seeded. Only two relays can score from each team.

All relays are timed finals and **will be swum in finals in the following order** - The 2 fastest heats of Women, the 2 fastest heats of Men and then will alternate Women and Men after the first 2 heats of each.

Relay cards will be available at the head table during warm-up each evening. Coaches must list swimmers' first and last names and swimming order on the card and return the cards to the scorer's table one hour prior to the projected relay start time. The cards may be changed up until the relay swim.

DISTANCE FREESTYLE

Entrants in the 800 and 1500 meter freestyle must check in prior to the scratch deadline in order to be seeded. If a swimmer fails to check-in by applicable deadline(s), they will only be allowed to swim IF there is an empty lane (no new heat will be created). Monday's distance swimmers (W800/M1500) not wanting to swim the event during the final session should declare their swim in prelims by Sunday 15 minutes after the conclusion of the General Meeting.

Thursday's distance swimmers (W1500/M800) not wanting to swim the event during the final session should declare they will swim in prelims by Wednesday 6:00 pm. Check-in will be available at the registration table prior to the General Meeting, at the General Meeting, and at the head table after the General Meeting.

Monday's distance events (W800/M1500) will be swum fastest to slowest alternating women and Men. The fastest heat of W800 and M1500 will swim in finals.

Thursday's distance events (W1500/M800) will be swum fastest to slowest alternating women and men. The fastest heat of the women's 1500 and the men's 800 will be swum in Thursday's finals. Any swimmer who enter the women's 1500 or the men's 800 should declare at check-in that they do not wish to swim the event in the finals session by writing a P for prelim on the check-in sheet next to their names. Swimmers should anticipate that many people seeded ahead of them may opt out of finals and should also indicate with a P that they do not wish to swim the event at finals.

READY ROOM

A ready room/area will be provided each evening for the Championship heat in all individual events and the top-seeded heat of distance freestyles. Swimmers should report to the ready room 10 minutes prior to the start of their event so that they may march to the starting blocks together.

LENGTH OF SESSION:

If the length of a session is determined to be too long the meet director may request some bonus event swims to be swum at the end of each session and before time trials. This will be posted on the web by Friday July 17th.
